Cost of handling a dispute in the case of an excessive number of disputes <sup>2</sup>	150 PLN / dispute
	37,5 EUR / dispute
	875 CZK / dispute
	175 RON / dispute
	14000 HUF / dispute

<sup>2</sup> Charged depending on the transaction currency.

#### Definitions:

- (a) **„Transaction processing cost”** – the cost associated with PayU maintaining the Services. The cost is fixed and may be added to each processed Transaction.
- (b) **“Cost of handling a standard Klarna dispute”** – a complaint or claim regarding a Transaction made using the Klarna payment method, initiated by the Customer or Klarna, in particular related to challenging the validity, correctness or execution of the Transaction.
- (c) **“Cost of handling an excessive number of Klarna disputes”** – an additional cost charged when the merchant exceeds the thresholds set by Klarna for the number of complaints or claims regarding Transactions made using the Klarna payment service, initiated by the Customer or Klarna, in particular related to challenging the validity, correctness, or execution of the Transaction.
